Title	The UI & UX of home screen
Description	The UI & UX is not clear enough
Reproducible Steps	1- App is opened and home page is loaded
Expected Results	The ui and ux should be user friendly
Actual Results	1- The expense icons is not clear that it's clickable 2- The burger buttons and the balance button do the same function 3- The burger buttons and the balance button position is not good for user experience 4- The burger buttons and the balance button position is so close to income button and expense button. So there is a lot of miss click.
